SPECIAL LIST

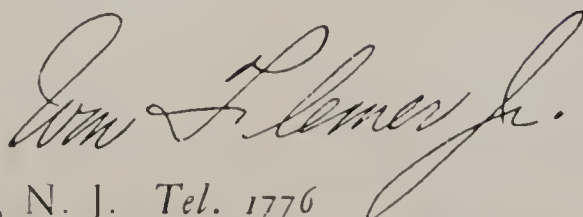

SHADE TREES

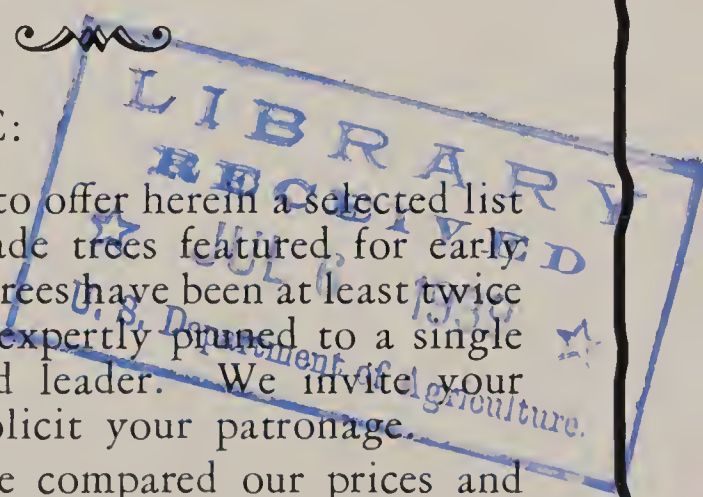

TO THE TRADE:

We are pleased to offer herein a selected list of fine young shade trees featured for early Spring sales. All trees have been at least twice transplanted and expertly pruned to a single straight stem and leader. We invite your inspection and solicit your patronage.

When you have compared our prices and seen the quality of stock we offer, we feel sure you will be pleased.

PRINCETON, N. J. Tel. 1776

Norway Maple

2½ in. cal. and 1¾ in. cal.

These are exceptionally straight trees, properly pruned to a single leader and are ideal for avenue planting or for setting out and growing into larger specimens. Note the heavy root development.
